

Did you spend your summer at the beach or pool? Fall is the perfect time to come in for your skin exam. Skin cancer is the most common form of cancer and is treated best when spotted early.

September marks the beginning of fall. Just because summer is over it doesn't mean we don't need to wear sunscreen. The sun's rays are just as harmful now as they were one month ago.

VitaliaMed Specials

Try the Shea Body Trio this fall any 3 for \$30

Fall back and relax with a free Hand Renewal Treatment with any facial over \$75
